

Dear Ian,

On behalf of West-Mont United Soccer Association I would like to wish all families a positive finish to the fall soccer season. We would like to congratulate all teams, players and families for your continued commitment and support to the club and more importantly the game. In this newsletter please enjoy the current moments, future events and information on current coaches and alumni players. As always, with this newsletter we hope that our communication is improved and provides our West-Mont United families further insight into the club. Thank you for your support of West-Mont and our soccer players.

Meet a West-Mont Coach

Introducing Jim Northcott...

Hi, I'm Jim Northcott and this is my fourth year coaching intramurals and my first year coaching at West-Mont. I am the coach of the U7 Girls Nittany Lions and the assistant coach of the U10 Boys United travel team. My youngest son plays in the Soccer Shots program. I also play in the adult league. West-Mont is a club that offers something for the entire family and has made the decision to join a rewarding one. I can be reached at statephan@gmail.com.

Favorite Coaching Moment:

Having a kid come up to me at the beginning of a practice to show them something that we worked on earlier in the season - to show me they have been practicing on their own. In general, it's great to watch kids fall in love with a sport I have played most of my life.

Favorite moment as a player?

Scoring a hat trick against a regional Select team that I had tried out for, but not made.

Favorite teams?

Tottenham Hotspur and Philadelphia Union

Other interests and hobbies?

Golf, Penn State Football, classic cars, books about sports history

Favorite TV shows and movies?

- **TV Shows** - *The Wire*, *Top Gear*, *Parts Unknown*, most BBC America Series and whatever sports are on
- **Movies** - *Caddyshack*, *Snatch*, *Oceans Eleven*, *Office Space*, *Usual Suspects*, *V for Vendetta*

What you wanted to be growing up?

Golf course architect

Meet a West-Mont Alum

Introducing Gareth Cooper...

What West-Mont team did you play on?

I started at West-Mont back in 1995 back when the club was known as the Perk Valley Soccer Club. I began in the intramural program up until I joined the U10 travel team. I played at West-Mont in the travel program all the way through U14.

How long did you play for West-Mont?

About 10 years from Intramural through to U14 travel.

What was your favorite moment at West-Mont?

We played in a tournament in Moorestown, NJ and there was a torrential down pour during the championship game. We could barely see across the field because it was raining so hard, but somehow we were able to pull out the win to win the championship.

What is your favorite position?

Center Midfield - I like being in the center of the field, working on both sides of the ball and controlling the flow of the play through possession.

**Who was your favorite coach?**

My Dad was my coach from a very young age and all my years at West-Mont. He taught me the fundamentals of the game at a very young age and continued teaching me the game. Now that I am a coach, I try to use many of his coaching philosophies and techniques that he used in my development as a player.

Which high school did you attend?

Spring-Ford Area High School - Captain for two years

Where did you go to College?

Widener University - Captain for two years

Why is West-Mont the place to play?

West-Mont is in a great location for high level/competitive soccer. The club is always looking to bring in new perspectives to help keep the club ahead of the curve as it continues to grow in size. The coaching staff is very experienced and focused on developing each individual player into the best player they can be. All of these attributes are contributing to the club's development of high level teams at various ages on both the Boys and Girls side of the sport.

Who is your favorite player?

Ryan Giggs - "The Welsh Wizard" Played in the EPL for 20 years, constantly adjusting his game to remain an impact player on one of the best clubs in the world. Early on he used his speed and quickness to beat defenders and assist/score many goals. As he became older, he relied more on his knowledge and experience in the game to make a difference.
